Scowdens Sell Home, Move To Carthage

Dr. Gerald St. John, Summersville chiropractor, has purchased a Houston residence at 802 Ozark from Mr. and Mrs. Dwane Scowden and will move his family here later this month.

The Scowdens have purchased a home near Carthage, Mo. where Scowden serves a three-county area for the FmHA. Mrs. Scowden has been employed at Jones Petroleum Co. in Houston. The family will move soon.

St. John will continue his practice in Summersville and announced enlargement of his office. He and Mrs. St. John have two children both of whom are enrolled in the Houston Schools.

Brad Rees, son of Mrs. Scowden and Duane Rees, is now a member of the SMSU golf team, his mother said this week. He is the only sophomore on the six-member squad competing against

Will Offer 4 Classes In C-E Project

Instructors have been hired for the classes being offered by a Community Education Project at the Houston Schools. Registration will be held Tuesday October 18 in the high school lobby.

Classes include:
CAKE DECORATING: taught by Mrs. Dottie Perryman; located in the Jr. High Home Economics classroom in the high school building; cost, \$6.00; will include practice on how to make borders, clowns, booties, flowers and smooth icing on a cake. Supplies to be furnished by the students will include powdered sugar, Crisco, a cake, paper cones, two couplers, flower nail and eight decorating tips.

REFRESHER TYPING: taught by Miss Sharon Hooper; located in typing room at vocational building, cost, \$6.00; class is for persons who have had typing but would like to practice skills and who need help in order to get back into doing secretarial work again. Typing paper will be the only supplies needed.

WOMEN'S PHYSICAL FITNESS: taught by Miss Rita Ruckert, located in the gymnasium; cost, \$6.00; tennis shoes and comfortable clothes are the only materials needed.

MACRAME: taught by Mrs. Jan Scheets; located in high school biology classroom, cost, \$6.00.

All materials will be furnished by the students. Class time will be each Tuesday from 7-9 p.m. for six weeks. The first class will be October 18 following the registration.

28 in tryouts. He became interested in golf while living here and has developed into one of the area's best golfers. That had some influence on the location of the new Scowden residence - near the golf course at Sarcocixie.

Missouri Department Of Conservation
Osceola High School has one of the youngest queens ever...she's three-year-old Mary Ann Breshears, daughter of St. Clair County conservation agent and Mrs. Allen Breshears.

Mary Ann is a victim of cerebral palsy and last year had an operation to implant a brain stimulator that now allows her to walk normally for the first time in her life. The Osceola community held a Mary Ann Day to help raise funds for the operation and collected more than \$20,000. Now the High School has dedicated its annual to the perky blond three-year-old with the sunshine smile.

Only a record performance was enough to beat Joplin out of its third straight national BB-gun shooting

championship. A team from Honolulu, Hawaii, scored a record 2,452 points to Joplin's, 2,450 in the national meet recently at Sioux Falls, South Dakota. Joplin had won the previous two national titles and four in the 12-year history of the event. Kathy Mayfield of Joplin set a new national record in the prone position and was second to Blake Araki of Hawaii who scored 399 of a possible 400 for a new individual record. The championships are sanctioned by the National Rifle Association and are co-sponsored by the U.S. Jaycees and Daisy air guns. Some 700,000 contestants are involved nationally.
