## Hail The SCA Champs!

They did it! Those Houston Tigers, fighting with their backs to the wall, won their first SCA football championship 9-7, defeating Thayer Friday night, 7-4.

In dramatic fashion, Coach Martin Gummery's boys showed their class by doing it in the hard way—winning the greatest of all of their last plays!

On the fifth play of the game, Halbrook Leamon Brown, whose combination play has been an inspiration to the team, was injured and lost for the balance of the contest.

The injury to Brown seemed to stall the Tigers, playing all 34 Thayer's a good bitting to of half. Gummery said, "and they scored a good score the second half."

Thayer led at the half, 6-0. But Houston came back to win that hard-fought on sustained drive of 88 yards.

Other such expert plays came from Pullback Donald, (left) and Tommie through the middle. The Tigers scored on the first drive.

## Four Fires Here In Two Days

Members of the Houston city and rural fire departments reacted to the extremely dry conditions of the week, with a total of four fires here in two days.

Both fire departments have been called out several times this week on fire and gas fires.

Just before noon Monday both departments were called to the school where an alarm had been sounded. The fire was caused by a gas stove and a small fire was extinguished.
