

Fire and Police .50% Sales Tax / 10 years sunshine

Generate roughly \$370,000 a year give or take

Fire receives 2/3 roughly \$246,666 a year

5 years \$1,233,330 / 10 years \$2,466,666

Police receives 1/3 roughly \$123,333 a year

5 years \$616,665 / 10 years \$1,233,331

The tax will be used to purchase apparatus, vehicles, equipment, manpower, land, and work towards constructing a Fire and Police facility. This will allow us to comply with NFPA Standards and meet our needs to sustain our current ISO Class 4 rating. Saving all of our residents hundreds of dollars each year in insurance.

This tax revenue will not be used to substitute either departments yearly approved operation budget.

The Fire Department will use the revenue to purchase:

New Engine w/CAFS \$785,000

Loose equipment \$164,000

Scott Air-Pack's \$ 52,000

Fulltime firefighter \$ 54,000 yearly (includes insurance and retirement)

Total \$1,271,000 first 5 years

New Ladder w/CAFS \$998,000

Two part-time FF \$ 45,000 yearly (includes insurance and retirement)

Total \$1,223,000

Overall total \$2,494,000
