

# City Of Houston Business Spotlight

The City of Houston is committed to supporting our local businesses. We would like to build an awareness of our businesses and encourage residents to “Explore Houston, The Good Life” when purchasing goods and services. Each month we plan to spotlight locally-owned businesses, restaurants and shops on our social media. Businesses who are interested in participating can complete this form and submit to Viki Narancich, [vnarancich@houstonmo.org](mailto:vnarancich@houstonmo.org). Please include pictures of your storefront, team, and product displays that we can use in our spotlight.

To be featured, a business, shop, or restaurant must be located within the City of Houston city limits and have a current business license.
